JOURNAL OF THE BIOLOGICAL PHOTOGRAPHIC ASSOCIATION

INDEX TO VOLUME 33 — 1965

A

Adams, Ansel 64

Adjustable Scale Stand for Gross Specimen Photography 125

Association Services Available..48-92-136-176

Audio-Visual Aids, Teaching and 137

B

Baldwin, E. Lynn 57

Biomedical Education, The 8 mm. Film as a Dynamic Instructional Medium in .. 161

Biomedical Photography Department, A Portable 71

Block, William 61

Book Reviews 173

Buckley, William R. 1

C

Cinephotomicrography, Horizontal Apparatus for High Resolution 49

Cinemicrography, Microscopic Instrumentation for Improved Photometric Procedures in 103

Cleaning Front-Surface Mirrors 171

Coloring Black and White Lantern Slides, Tissue Stains for 116

Color Reference Area Masking Plates, Use of 147

Contact Printer for Making 35 mm. Slides of Line Copies on 35 mm. Printing Film 153

Copies on 35 mm. Printing Film, Contrast Printer for Making 35 mm. Slides of Line 153

Copying, Eliminating Surface Reflection in 79

Copying for Reproduction 41

Crouch, Jane Waters 84

Currie, J. D. 79-137

D

Darkroom and Printing of Electron Microscopy Plates 107

Dental Photography 160

Domash, Hans S. 169

E

Eight Millimeter Film as a Dynamic Instructional Medium in Biomedical Education 161

Electron Microscopy Plates, The Darkroom and Printing of Eliminating Surface Reflection in Copying 79

F

Freehe, Clifford L. 160

Fritts, Don 129

F-stops in Photomicrography 61

Further Data on the Use of Infrared Color Film 155

G

Gibson, H. Lou 1

Gross Specimen Photography, Adjustabe Scale Stand for 125

H

Harp, David H. 125

Higgins, C. G. 159

Horizontal Apparatus for High Resolution Cinephotomicrography 49

I

Illustrations for Scientific Papers 35

Illustration in Medicine, The Value of.. 69

Infrared Color Film, Further Data on the Use of 155

Infrared Photography for Biological Surveys, New Vistas in 1

J

Jabs, Clarence M. 49

Jackson, H. Ross 35

Junier, Allan 69

K

Kabe, H. 107-153

L

Leveridge, Leo L. 113

M

Making Slides with Ozalid Viewfoil and Polaroid Mounts 131

Masking Plates, The Use of Color Reference Area 147

McKim, James 73-161

Medical and Biological Illustration 34-86-128-175

Medical Photography 169

Merrit, George W. 41-93

Mesophotography, Simple 159

Microscopic Instrumentation for Improved Photometric Procedures in Cinemicrography 103

Motion Pictures, Putting Words to Medical 113

N

Natural Sciences, Photography in 56-157

New Products 87-132-176

New Vistas in Infrared Photography for Biological Surveys 1

O

Over-exposed Color Transparencies, Simple Method for Correction of 152

Ozalid Viewfoil and Polaroid Mounts, Making Slides with 131

P

Photography Department, A Portable Bio-Medical 71

Photography in the Natural Sciences ..56-157

Photography, Relation of Science to Creative 64

Photography Unit, Picture Story of a New Medical 117

Photography, Veterinary 129

Photometric Procedures in Cinemicrography, Microscopic Instrumentation for Improved 103

Photomicrography, F-stops in 61

Picture Story of a New Medical Photography Unit 117

Polaroid Mounts, Making Slides with Ozalid Viewfoil and 131

Polaroid Vectograph Process, Stereo Projection and Other Aspects of 57

Portable Bio-Medical Photography Department, A 71

Posselwhite, Charles A. 93

Preparation of Illustrations for Scientific Papers 35

Putting Words to Medical Motion Pictures 113

R

Reindl, Frank J. 116

Relation of Science to Creative Photography 64

Robb, Herbert J. 49

Roll Film to Reduce Costs 73

Routine Position for Recording Scoliosis. 172

S

St. Laurent, Lucien 56-157

Schneebeli, Gottlieb L. 103

Scoliosis, Routine for Recording 172

Showstark, Paul 71

Simple Method for the Correction of Overexposed Color Transparencies 152

Smialowski, A. 79-117-147

Spectral Response by Filtration, Variations in 93

Stereo Projection and Other Aspects of the Polaroid Vectograph Process 57

Stickley, William T. 161

Surface Reflection in Copying, Eliminating 79

Stokes, Marshall U. 152

T

Teaching and Audio-Visual Aids 137

Tissue Stains for Coloring Black and White Lantern Slides 116

Turiel, Samuel N. 47

U

Upenieks, H. 147

Use of Color Reference Area Masking Plates 147

V

Value of Illustration in Medicine 69

Variations in Spectral Response By Filtration 93

Veterinary Photography 129

Vetter, John P. 171

W

West, Theodore C. 161

Whittley, Robert 172

Whitmore, Keith E. 1
